

PARBOLD SURGERY PATIENT UPDATES

Thank you to all the patients who have taken the time to complete their Friends and Family feedback either in the surgery, on the website or via the text messaging service after an appointment.

Below are the practices results for Nov 23 – Jan 24

MEASLES

We are continuing to follow the national guidance regarding the measles outbreak. It is important that all patients are up to date on their vaccinations.

The Surgery is continuing to invite patients in who have not been or are missing any vaccinations.

If you are unsure of your vaccination status please check on your online account on the NHS App or Patient Access

We have updated the surgery website www.parboldsurgery.co.uk
We will continue to use both the surgery website and Facebook to keep patients updated with the latest surgery information
